MEET THE LADY LONGHORNS

This week's featured athlete is Sam Pelton. Sam is a senior, she is a member of the basketball team, FFA, and KAYS.

Q: How many years have you played basketball?

Sam: 7 years.

What is your favorite college basketball team?

Sam: K-State.

What are you expectations for the season?

Sam: For us to grow as a team and have fun doing it.

What is your favorite memory of playing basketball?

Sam: My 8th grade year when Colbi shot a half-court shot but instead it looked like a pass for me and we got a buzzer beater shot.

What advice would you give to your underclassmen?

Sam: Don't ask the upper classmen to take it easy on you, and don't be timid on the court.

We look forward to having Sam's Senior Leadership this season.
